Say Miso-ran, can you try this on for a bit
Can you all just go home already!
In this case, it looks perfect on a high school student like Misora-chan
uh-huh
When all is said and done, a randoseru doesn't look good on this elementary-schooler

Uu...
Ah...
Ku...

Misora-chan, you shouldn't talk to your friends like that

Be quiet! You should also go back to your room at once!
shock

I'm the one who wants to cry...
As an older sister, you shouldn't make your little sister cry
Do you want to play with your other big sisters, Koton-chan?
